

DRESS FOR SUCCESS

INTERVIEW ATTIRE FOR MEN

You are entering into a new industry. This is an industry that you hope to build a career in. It's important to look professional. You will find some very detailed guidelines below on how to accomplish a business casual appearance for your interview.

Pants

- Nicely pressed khaki pants
- Dress slacks; navy, grey, or black
- Avoid pants with back pockets with or without buttons
- Make sure the pants fit well around the hips and hit just on top of your shoes without any "puddling"

Shirts

- Collared button down shirt tucked in
- Shirts need to be a solid color or a conservative pattern, nothing that will be distracting
- Sweaters or cardigans are acceptable

Shoes

- Stick with a professional dress shoe
- Choose a close toed black, navy, nude, or other neutral color for shoes
- Always look for comfort when purchasing shoes

Ties (optional but encouraged)

- Colors should coordinate well with your shirt
- Ties should end at belt line; no higher, no lower

If you have questions about what to pack please contact Career Services at careerservices@aha.edu
